

# Spider Exercise

The diagram illustrates a sequence of four segments across three horizontal tracks. The top track is labeled 'TAB' and contains four segments labeled 1, 2, 3, and 4. The middle track contains four segments labeled 1, 2, 3, and 4. The bottom track contains four segments labeled 1, 2, 3, and 4. Vertical lines connect the segments across the tracks, indicating a sequential flow from left to right.
