

## Module 14 Exercises

Inside the Module 14 folder, there is an Excel file called 'Art Spreadsheet Exercise' and a folder called 'Art Images'. Please use this file to complete the following Exercises.

1. Insert a piece of Clip-Art in cell A1 using the search term 'Bicycle'.
2. Choose a graphic from the 'Art Images' folder and insert it into cell A1.
3. Insert an image from the 'Art Images' folder into cell A1. Resize the image and the cell so that the image fits inside. Add a 3 point, blue border to the image.
4. Create a diagram using three images from the 'Art Images' folder, make the diagram slightly larger and change the colour scheme.
5. Using the 'Art Spreadsheet Exercise' file, create a 'Clustered Column' chart from any of the data ranges. Change the chart type to a Pie chart. Add an annotation to the chart that says 'This is an annotation.' Finally, change the chart type to be a 'Pie of Pie' chart.
