

HARMONIC LAYERING - A REAL WORLD APPROACH TO ARPEGGIOS, CHORD TONES AND SCALES.

INTRODUCTION

This course is a comprehensive guide to arpeggios, chord tones and scales with a focus of cementing their relationships in a way that will make them instantly usable within any musical situation.

The course is comprised of three modules. This is the first, covering arpeggios (chord tones).

The rest of the course is due for release in the next few weeks, but we wanted to make this available for you now so you can get started right away!

Included in the study materials for this course are worksheets and backing tracks for the following lessons: Lessons 3-9.

Best of luck with your practice and enjoy this first module of the course.
